Did you download and use the APSS in tandem with your action plan?
Yes
If yes, was the APSS valuable?
Yes

Commitment Details

Commitment Update
Continue monitoring urine cultures for events, maintain EBP bundles, perform daily needs assessment for devices, implement retention escalation assessment, assessment/education on alternatives to indwelling urinary catheters, review and update surgical order sets.

Please describe any best practices your organization has learned through your commitment and share valuable lessons or challenges that were overcome. Use of standard order sets that have best practices built into them.
