#### Position

VP Acute Care/ CNO

#### Organization Name

Parrish Medical Center

### APSS

---

#### What Patient Safety Challenge does your Commitment address?

Challenge 8A - Safer Airway Management

#### Commitment Name

Airway Safety - Update - 11.20.2019

#### How many hospitals are represented in this commitment?

Last Report	Current
1	1

#### Did you download and use the APSS in tandem with your action plan?

Yes

If yes, was the APSS valuable?

Yes

## Commitment Details

---

### Commitment Update

Implement endotracheal tube holders per best practice to help maintain zero harm. Continually be aware of restraint and sedation requirements. Continue to modify and develop Failed Airway protocol, standardized airway cart/box and equipment, hardwire and maintain EBP critical practices, and continue to educate team with competencies for protocol, equipment (endotracheal tube holders) and critical practices (restraints and sedation).

Please describe any best practices your organization has learned through your commitment and share valuable lessons or challenges that were overcome.

Implement endotracheal tube holders per best practice to help maintain zero harm. Continually be aware of restraint and sedation requirements. Continue to modify and develop Failed Airway protocol, standardized airway cart/box and equipment, hardwire and maintain EBP critical practices, and continue to educate team with competencies for protocol, equipment (endotracheal tube holders) and critical practices (restraints and sedation).

### Action Plan

## Impact Details

---

### Lives Saved

Next, make a prediction (goal) of your lives saved in the next 12 months. We'll give you the opportunity to update us next year on the actuals:

10

### Methodology for Determining Lives Saved:

Lives = (Unplanned Extubation Rate<sub>baseline</sub> – Unplanned Extubation Rate<sub>measurement</sub>) x \*Vent Days<sub>baseline</sub> Note: \*Vent Days is the Outcome Measure Formula Denominator: (Total Number of Mechanical Ventilation Days)

### Acknowledgement

Yes, I acknowledge that this commitment may be used for external communication and publicly announced at the World Patient Safety, Science & Technology Summit. Furthermore, I agree that this commitment may appear on the website of The Patient Safety Movement Foundation or the Masimo Foundation. I also give permission for my

commitment to be used in support of the promotion of the World Patient Safety, Science & Technology Summit as well as The Patient Safety Movement initiative.
