Commitment Summary

The audit and feedback system for infectious disease professionals from Medicine is not efficient and well. In the next calendar year, we plan to create and develop a more efficient process to eliminate antimicrobial stewardship in our hospital.

Action Plan

Create a more efficient prospective audit and feedback system of antibiotics use through CPOE.

Impact Details

Lives Saved

Methodology for Determining Lives Saved:

ASP program in our hospital has been implemented for over 4 years, antibiotic related error rate is low and all are near-miss without harm
