

Euro-Mediterranean Institute of Quality and Safety in Health Services Commitment to Action Letter

The Euro-Mediterranean Institute of Quality and Safety in Health Services is pleased to announce their support of the Patient Safety Movement Foundation (PSMF) and mission to eliminate preventable patient deaths by 2030 across the globe.

As a committed organization, my organization will demonstrate alliance with the PSMF by:

1. Spreading the PSMF's mission and vision to EIQSH members and network
2. Working with the PSMF to help identify subject matter experts to join our Actionable Patient Safety Solution's (APSS) workgroups
3. Asking members of EIQSH who are leaders working in hospitals to "Commit to ZERO", or share their own commitments to action to the PSMF

We at the Euro-Mediterranean Institute of Quality and Safety in Health Services are excited to announce our commitment to the Patient Safety Movement Foundation to reduce preventable patient death and improve patient safety.

Signed,

Euro-Mediterranean Institute of Quality and Safety in Health Services
