Action Plan

Commitment Update

Educational sessions have been provided to hundreds of healthcare professionals on how patient harm can be avoided using error reduction techniques and safety culture enhancement techniques from the nuclear power industry. Healthcare leaders have have visited and observed the culture and daily practices at several nuclear facilities. Each time positive lessons have been learned and new ideas are being implemented at the healthcare

Patient Safety Movement Foundation | patientsafetymovement.org
facilities.

**Other**

**Challenge 1 - Culture of safety**

Please describe any best practices your organization has learned through your commitment and share valuable lessons or challenges that were overcome
