Action Plan
● Implement a plan that includes fundamentals of change outlined in the National Quality Forum safe practices, including awareness, accountability, and action.
● Hospital governance and senior administrative and medical and nursing leadership commit to become aware of this major performance gap in their own healthcare system.
● Hospital governance, senior administrative leadership, and clinical/safety leadership close their own performance gap by implementing a comprehensive approach to addressing the performance gap.
● Set a goal date to implement the plan to address the gap with measurable quality indicators.
● Allocate a budget for the plan to be evaluated by governance boards and senior administrative leaders.
● Clinical/safety leadership endorse the plan and drive implementation across all providers and systems.
