**Action Plan**
The Mission, Vision and Values of PMC drive our Culture of Safety. Safety for patients, care partners (employees, providers, volunteers) and community. Mission- "Healing Experiences for Everyone all the Time". Vision- "Healing Families, Healing Communities". Values - Safety, Loyalty, Integrity, Compassion, Excellence, Stewardship. Our safety culture began and continues with these drivers along with our commitment to our Strategic Plan- The Game Plan, that includes over 75 unique measures of process or outcomes. By using Lean/Sigma our journey of High Reliability continues. Every care partner is empowered to be transparent and to hold each other accountable for safety. This is evidenced by our commitment to evidence based practices and commitment to zero.

**Commitment Timeline**
