Challenge 2B - Catheter-associated Urinary Tract Infections (CAUTI)
Commitment Start Date
03/12/2016

How Many Hospitals Will This Commitment Represent
96

Action Plan
To achieve these goals, CEOs, hospital boards of trustees and clinical leaders are aligning their organizational goals with the network harm reduction goals in a way that is transforming the safety and quality of care delivered in children’s hospitals in the United States. *Creation of operational definitions for 9 HACs plus Readmissions for pediatrics* 
*Creation of recommended Prevention Bundles and eventually SPS Prevention Bundles for 9 HACs plus Readmissions for pediatrics*

Commitment Timeline
Our current goals are through 2014, however, our network is a permanent network and will continue on our journey to zero for many years to come.
