**Action Plan**

Dubai Healthcare City Authority (DHCA), beginning October 7th, 2017 is committing to advance a "Culture of Safety" amongst healthcare systems in the Middle East. DHCA is taking a leadership role by inaugurating the Middle East Patient Safety Movement. The goals of this movement are to: a) Provide a collaborative forum that unites existing patient safety activities in the Middle East. b) Engage with regional stakeholders to identify patient safety challenges in the Middle East with a focus on solutions and solution development/improvement, deploying currently Patient Safety Movement Foundation APSS specific to the Middle East. c) Bring into effective action a unified methodology to identify baseline data that will measure patient safety implementations and its impact on lived saved and/or harm avoided.

**Commitment Timeline**

1) October 2017- Launch Middle East Patient Safety Movement  
2) November 2017- Host first Middle East Patient Safety Movement Roundtable with stakeholders throughout the Middle East with a goal of establishing a steering committee, thereafter to agree upon the fundamentals of building and growing the Middle East Patient Safety Movement in the region  
3) January 2018- Begin reviewing and implement the Patient Safety Movement Foundation APSS in DHCA and promote within the region  
4) February 2018- Middle East Patient Safety Movement Symposium - Three hour patient safety symposium to provide first opportunity for broad engagement of interested stakeholders - Meeting followed by steering committee meeting to formalize plans for Oct 2018 Summit - Identify the 0X2020 goal for the Middle East - Begin deploying APSS and completing new commitments by hospitals and by APSS  
5) October 2018- Middle East Patient Safety Movement Summit - One day Summit in the Middle East featuring first Middle East commitments and progress updates, along with international panels  
6) February 2019- Middle East Patient Safety Movement Steering Committee Planning Meeting  
7) 2nd Annual Middle East Patient Safety Movement Summit - Goal to transition Middle East Patient Safety Movement to move to new "leader" in the Middle East to carry the Movement for the next two years
