

## **MatchHealthcare Design and Innovation LLC Commitment to Action Letter**

Match Healthcare Design and Innovation is pleased to announce their support of the Patient Safety Movement Foundation (PSMF) and mission to eliminate preventable deaths by 2020.

As a committed organization, my organization will demonstrate alliance with the PSMF by:

1. Spreading the mission of PSMF to Match Healthcare Design and Innovation members and network
2. Working with the PSMF to help identify subject matter experts to join our Actionable Patient Safety Solution's (APSS) workgroups
3. Asking members of Match Healthcare Design and Innovation consulting team who are leaders working in hospitals to implement APSS, or share their own commitments to action to the PSMF
4. Ask partners collaborating with Match Healthcare Design and Innovation leadership either through professional organizations or community organizations to support the mission and work of PSMF.

We at Match Healthcare Design and Innovation are excited to announce our commitment to the Patient Safety Movement Foundation to reduce preventable death and improve patient safety.
