Commitment Summary
This commitment will address our longstanding desire to reduce the numbers of falls and falls with injury in our organization.

Commitment Description & Detail
Complete a gap analysis using the Patient Safety Movement’s Falls Prevention Challenge with MMH's current policies and procedures improving where indicated. Create an implementation plan including Proactive Leadership Attention To Outcomes (PLATO) rounds highlighting our fall prevention policy. Continue to provide ongoing training and education to all staff members on responsibilities we each have to reduce/eliminate falls. Explore technologies to monitor and improve falls (e.g., telesitting).

Action Plan
Updated policy and procedures. Training completed. Technologies explored and vetted for improvement. PLATO rounds regularly scheduled and completed.

Commitment Timeline
June 2019
