Action Plan
1. Continue to support successes and sustain gains
2. Stratify hospitals with greatest opportunities
3. Recruit virtual collaboratives
4. Encourage reporting and provide ongoing feedback
5. Engage senior leadership
6. Provide evidence-based practices
7. Provide peer-to-peer learning through learning opportunities/activities and mentor hospitals

Commitment Update
1. Continue to support successes and sustain gains through the support of statewide and national collaboratives
2. Stratify hospitals with greatest opportunities and identify high performers
3. Encourage data transparency
4. Engage senior leadership
5. Disseminate
evidence-based best practices and provide an opportunity for peer to peer learning through the support of statewide and national quality collaboratives. Increase the capacity for improvement through education and training opportunities.

Other
Challenge 2B - Catheter-associated Urinary Tract Infections (CAUTI)

Please describe any best practices your organization has learned through your commitment and share valuable lessons or challenges that were overcome:

1. Standardize the approach to safety protocols through standardized responses to clinical changes, order sets, risk assessments and other methods.
2. Support the work of improvement teams through education, training and peer mentorship.
3. Provide an avenue for data transparency.
