

## **Maryland Patient Safety Center Commitment to Action Letter**

The Maryland Patient Safety Center is pleased to announce their support of the Patient Safety Movement Foundation (PSMF) and mission to eliminate preventable deaths by 2020 (0X2020).

As a committed organization, my organization will demonstrate alliance with the PSMF by:

1. Spreading the mission of 0X2020 to Maryland Patient Safety Center members and network
2. Working with the PSMF to help identify subject matter experts to join our Actionable Patient Safety Solution's (APSS) workgroups
3. Asking members of the Maryland Patient Safety Center who are leaders working in hospitals to implement APSS, or share their own commitments to action to the PSMF

We at the Maryland Patient Safety Center are excited to announce our commitment to the Patient Safety Movement Foundation to reduce preventable death and improve patient safety.

Signed,

Maryland Patient Safety Center
