Commitment Summary
Clinical Importance ▶ 6% of all hospital mortalities are attributable to HAP ▶ 710 patients affected by HAP during our baseline year in 2015 ▶ Average LOS for patients who develop HAP is 10.5 days

Commitment Update
• Executive Leadership embedded in project governance • HAP performance included on leadership performance dashboard • Performance tied to remuneration • Regional clinical and physician leadership and oversight • Regional support to develop standard work Action
Plan: Focus on key interventions, including documentation of these as process measures on the HAP dashboard.
- Ambulation
- Oral Care
- Out of Bed for Meals
- Standardized local governance and oversight and project ownership
- Re-education on appropriate documentation for accurate ICD coding for physicians
- Antibiotic stewardship related to HAP
- NGT placement to include radiologic confirmation prior to use for tube feeding or suction
- Continue Collaborative Calls to facilitate regional learning and sustainability across all facilities
- Unit-Based teams

Please describe any best practices your organization has learned through your commitment and share valuable lessons or challenges that were overcome:
Leadership engagement
- Strong governance structure that supports allocation of resources, barrier busting, and accountability
- Goal alignment
- Human factors integration

What Patient Safety Challenge does your Commitment address?
Challenge 2D - Ventilator-associated pneumonia (pedVAP/PVAP)

Impact Details

By implementing the APSS, what cost benefits have you attained in the following areas?

Year 2 Prediction

Lives Spared Total
4.752000000000001

For reporting purposes, the number has been rounded up to the nearest whole number.
Lives Spared Total
5

Acknowledgement

Yes, I acknowledge that this commitment may be used for external communication and publicly announced at the World Patient Safety, Science & Technology Summit. Furthermore, I agree that this commitment may appear on the website of The Patient Safety Movement Foundation or the Masimo Foundation. I also give permission for my commitment to be used in support of the promotion of the World Patient Safety, Science & Technology Summit as well as The Patient Safety Movement initiative.
