### **Commitment to Action**

The College of Health Quality Professionals of the West is pleased to announce their support of the Patient Safety Movement Foundation (PSMF) and mission to eliminate preventable deaths by 2020.

The College is involved with different health institutions and universities to contribute to the improvement of health services in the west of Mexico.

As a commitment organization, the College will demonstrate Alliance with PSMF by the following:

3. Ask members who work in hospital to implement APSS, or share their own successful processes to eliminate preventable deaths. And, make their own commitments to action to the PSMF

We at the College of Health Quality Professionals of the West are excited to announce the commitment and plan to attend The 5th Annual World Patient Safety, Science & Technology Summit, Feb 3-4 in Dana Point, CA, to formally and for the first time publically announce our commitment signed to improve patient safety.
