

The Brazilian Patient Safety Foundation Commitment to Action

The Brazilian Patient Safety Foundation is pleased to announce their support of the Patient Safety Movement Foundation (PSMF) and mission to eliminate preventable deaths by 2020 (0X2020).

Fundação para Segurança do Paciente is a non-profit organization made up of people from many industries that want to collaborate making our health system safer. Our mission is to reduce preventable medical errors by engaging patients, families, healthcare professionals and the society.

As a committed organization, the Brazilian Patient Safety Foundation will demonstrate alliance with PSMF by:

1. Spreading the mission of 0X2020 to Brazilian Patient Safety Foundation members and network
2. Participating in the PSMF's Actionable Patient Safety Solution's (APSS) workgroups and helping to identify subject matter experts to contribute to the development of mutually aligned topics
3. Asking members of the Brazilian Patient Safety Foundation to implement Actionable Patient Safety Solutions (APSS), or share their own successful processes, to eliminate preventable deaths. And, make their own commitments to the PSMF
4. Promote upcoming events, educational opportunities and speaking engagements

We at the Brazilian Patient Safety Foundation are excited to announce our commitment to improve patient safety.
