

Foundation for Patient Safety of Chile (FSP Chile) Commitment to Action

The Foundation for Patient Safety of Chile (FSP Chile) is pleased to announce their support of the Patient Safety Movement Foundation (PSMF) and mission to eliminate preventable deaths by 2020 (0X2020).

THE FOUNDATION FOR PATIENT SAFETY - CHILE, in a nonprofit organization, governed by the rules of title XXXIII of the First Book of the Civil Code, by the provisions contained in Law N ° 20.500, on Associations and Citizen Participation in Public Management, has legal status No. 208560 of 08-18-2015, RUT 65.109.188-8, with address in 1125 Granada Street, Andalusia Park of the City of Chillán, Eighth Region, Chile.

Its mission is to create spaces for collaboration so that our patients and those who take care of them, are in minimal risk environments.

Our work consists in holding conferences, conferences, training, distance education, research, newsletters, etc., to improve the knowledge and skills in the area of Patient Safety.

As a committed organization, the Foundation for Patient Safety of Chile will demonstrate alliance with PSMF by:

1. Spreading the mission of 0X2020 to FSP Chile members and network
2. Annually disseminate the PSMF's Actionable Patient Safety Solutions (APSS) to members and network
3. Asking members of FSP Chile to implement Actionable Patient Safety Solutions (APSS), or share their own successful processes, to eliminate preventable deaths. And, make their own commitments to the PSMF
4. Promote upcoming events, educational opportunities and speaking engagements

We at the Foundation for Patient Safety of Chile are excited to announce our commitment to improve patient safety.
