**Maternal Safety Foundation's  
Commitment to Action**

The Maternal Safety Foundation is pleased to announce their support of the Patient Safety Movement Foundation (PSMF) and mission to eliminate preventable deaths by 2020 (OX2020).

The Maternal Safety Foundation's mission is to continuously improve the quality and safety of maternal health care in the United States. Our organization was founded with a vision of safe, accessible, risk-appropriate pregnancy and postpartum care for all.

As a committed organization, the Maternal Safety Foundation will demonstrate alliance with PSMF by the following:

1. Spread the mission of OX2020 to Maternal Safety Foundation members and network
2. Annually disseminate Actionable Patient Safety Solutions (APSS) to Maternal Safety Foundation members.
3. Participate in the PSMF's Actionable Patient Safety Solutions (APSS) workgroup and helping to identify subject matter experts to contribute to the development of aligned topics (*i.e. Optimizing Obstetric Safety*)
4. Endorse one or multiple of the PSMF's Actionable Patient Safety Solutions (APSS) (*i.e. Optimizing Obstetric Safety*)
5. Ask members who are leaders working in hospitals to implement APSS, or share their own successful processes, to eliminate preventable deaths. And, make their own commitments to action to the Patient Safety Movement Foundation.
6. Jointly partnering and supporting projects around related patient safety topics of Interest.

We at the Maternal Safety Foundation are excited to announce our commitment to improve patient safety.

Signed,

Maternal Safety Foundation
