

B-Line Medical Commitment to Action Letter

B-Line Medical is pleased to announce their support of the Patient Safety Movement Foundation and mission to eliminate preventable deaths by 2020 (OX2020).

B-Line Medical is a medical education company that leverages video to help healthcare professionals improve their skills, their knowledge of best practices, and their ability to work as teams within a larger healthcare system to provide the best care to patients as possible.

As a commitment organization, B-Line Medical will demonstrate alliance with PSMF by:

1. Spreading the mission of OX2020 through B-Line Medical members and partners
 - a. Introducing B-Line Medical partner organizations that share aligned missions and values to the PSMF
2. Participating in the PSMF's Actionable Patient Safety Solutions (APSS) workgroups to develop a Simulation Plan for select APSS
3. Disseminating APSS within the B-Line Medical community
4. Asking hospitals connected with B-Line Medical to implement APSS and make formal commitment through the PSMF to improve patient safety
5. Sharing progress with the PSMF regarding B-Line Medical initiatives, engaging the PSMF in the work where possible.
6. Integration of PSMF best practices into the training of affiliated healthcare system partners where appropriate and supported by the healthcare system partner's needs.

We at B-Line Medical are excited to announce our commitment to improve patient safety.

Signed,

B-Line Medical
