

Commitment to Action

Future Vision Consultancy is pleased to announce their support of the Patient Safety Movement Foundation (PSMF) and mission to eliminate preventable deaths in-hospitals across the globe.

Future Vision Consultancy (FVC) main mission is to increase educational awareness and quality capacity in the region.

Patient Safety is our top goal through our networking, first-class training and advocacy. We aim to ZERO Preventable Deaths.

As a committed organization, Future Vision Consultancy will demonstrate alliance with PSMF by:

1. Spreading the PSMF's vision and mission to Future Vision Consultancy members and network.
2. Participating in the PSMF's Actionable Patient Safety Solution's (APSS) workgroups and helping to identify subject matter experts to contribute to the development of mutually aligned topics.
Examples include, but are not limited to:
 - a. *Culture of Safety*
 - b. *Healthcare-Associated Infections*
 - c. *Medications*
 - d. *Person & Family Engagement*
3. Asking members within Future Vision Consultancy's network who are leaders working in hospitals to implement APSS, or share their own successful processes, to eliminate preventable deaths. And, make their own commitments to action to the PSMF.
4. Staying in touch regarding upcoming events, educational opportunities and speaking engagements pertaining to either parties.

We at Future Vision Consultancy are excited to announce our commitment to improve patient safety.
