Medline Industries, Inc. Commitment to Action

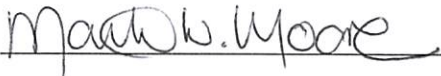

Medline Industries, Inc. is pleased to announce their support of the Patient Safety Movement Foundation (PSMF) and mission to eliminate preventable deaths by 2020 (OX2020).

Medline Industries, Inc. demonstrates their commitment through the mission of providing quality medical products and superior service to the healthcare community. Our vision is to advance the health of healthcare. We believe that products support the practice of healthcare. We strive to design products and solutions that reduce patient harm. We demonstrate our mission and vision through our clinical solutions to ERASECAUTI®, ERASESSI™, ERASEPNEUMONIA™, ERASEPATHOGENS™, and other clinical solutions. We additionally provide a learning systems platform for care providers to advance knowledge of quality, cultural of safety and other key issues within healthcare through Medline University.

As a committed organization, Medline will demonstrate alliance with PSMF by:

1. Spreading the mission of OX2020 to Medline members
2. Annually disseminate Actionable Patient Safety Solutions (APSS) to Medline hospitals and network.
3. Determining expert participants from Medline team to be involved in APSS workgroups, to ensure latest clinical information, literature and technology has been integrated.
4. Asking hospital leaders within Medline's network to implement APSS, or share their own successful processes, to eliminate preventable deaths. And, make their own commitments to action to the Patient Safety Movement Foundation.
5. Disseminating the mobile app, PatientAider, to Medline hospitals to empower their patients with resourceful information so that they can ask questions relating to their care along with any risks they may encounter.
6. Promoting the Patient Safety Movement Foundation in the Medline Newsletter/Blog on an annual basis
7. Promoting the annual Patient Safety Innovation Awards competition to members.
 - a. Promote 2017 Patient Safety Innovation Awards Competition
 - b. Support past winners of the Patient Safety Innovation Awards, by ensuring their product is aligned with current clinical best practices and helping bring their product to market.
8. Medline Industries, Inc. agrees that additional elements can be developed and implemented as ideas and action plans are further established.

We at Medline Industries, Inc. are excited to announce our commitment to improve patient safety.
