

Commitment to Action

HealthCore International is happy to announce their support of the Patient Safety Movement Foundation (PSMF) and mission to eliminate preventable deaths across the globe.

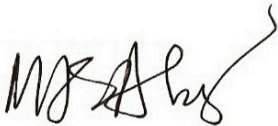

HealthCore advocates excellent quality in healthcare delivery in the ASEAN region centered on patients' safety through trainings, consultancy and quality audit certification. It is a proponent of healthcare globalization or medical tourism with the paramount belief that quality, safe and affordable healthcare should be made accessible to every person.

As a committed organization, HealthCore International will demonstrate alliance with PSMF by the following:

1. Spread the PSMF's vision and mission through Healthcore International members and partner organizations
2. Participating in the PSMF's Actionable Patient Safety Solutions (APSS) workgroups and helping to identify subject matter experts to contribute to the development of interested topics (*i.e. Early Detection & Treatment of Sepsis for LMIC*)
3. Annually disseminate Actionable Patient Safety Solutions (APSS) to Healthcore International members and network
4. Asking hospitals to implement APSS and make formal commitments through PSMF to improve patient safety
5. Stay in touch regarding upcoming events, educational opportunities and speaking engagements pertaining to either parties (*Upcoming workgroups, Annual World Patient Safety, Science & Technology Summit*)

We are Healthcore International are excited to announce this commitment.

Signed,
For an on behalf of
