

The Australian Council on Healthcare Standards Commitment to Action

The Australian Council on Healthcare Standards is happy to announce their support of the Patient Safety Movement Foundation (PSMF) and mission to eliminate preventable deaths across the globe.

The mission of the Australian Council on Healthcare Standards is to strengthen safe, quality healthcare by continuously advancing standards and education nationally and internationally.

As a committed organization, the Australian Council on Healthcare Standards will demonstrate alliance with PSMF by the following:

1. Spreading the PSMF's vision and mission to Council members and partner organizations
2. Participating in the PSMF's Actionable Patient Safety Solutions (APSS) workgroups and helping to identify subject matter experts to contribute to the development of aligned topics. Examples include, but are not limited to:
 - a. *Culture of Safety*
 - b. *Mental Health*
 - c. *Person and Family Engagement*
3. Annually disseminating the PSMF's Actionable Patient Safety Solutions (APSS) to Council members and network
4. Asking hospitals to implement APSS and make formal commitments through PSMF to improve patient safety
5. Stay in touch regarding upcoming events, educational opportunities and speaking engagements pertaining to either parties (*PSMF's Annual World Patient Safety, Science & Technology Summit*)

We, the Australian Council on Healthcare Standards, are excited to announce this commitment.
