

PROGRAM

First Coast Connect With Melissa Ross

This week's good news includes:

- “Share the Love Challenge” by Eldersource, a Northeast Florida area agency on aging, encourages people of all ages to exchange kindness in the form of words, gestures and deeds.
- To raise awareness of the importance of healthcare workers and patient safety during the pandemic and to honor those on the frontline, [Dr. Dave Mayer](#), CEO of the global organization [Patient Safety Movement Foundation](#), decided to [walk across the entire United States](#). He started in San Diego last year and he’s finishing up in Jacksonville Beach today.
- [Bee Friends Farm](#), a local company, is setting up a brick and mortar store in [Murray Hill](#) to sell honey, beeswax and other products made from local beehives.
